Your support can save a life

All profits CrossReach receives from the sale of items in this Catalogue go towards the caring work of CrossReach in Scotland.

Welcome to the 2022 CrossReach Christmas Card and Calendar Collection.

We think a Christmas card is a perfect way to stay in touch, possibly with people you haven't seen face to face for a while. It's a lovely way to let them know you are thinking of them, and also to remind us of the baby born in the manger, who gives us hope.

Every year, CrossReach helps to change the lives of over 10,000 adults, teenagers and young children: people in your community, your street, your family. Maybe one day even you. What we do works. We know from experience that with the right support, you can usually make radical differences to your life: get your confidence back, build structure into your day, and tackle the issues that led to dependency, restore family relationships.

We achieve great things with limited resources but with your support CrossReach can do more. By buying cards from CrossReach you are changing and saving lives at the same time as sending beautifully designed cards.

From all at CrossReach, thank you for your continuing support. You really do make a difference!

Health visitors, physiotherapists and our team of staff came together to offer support to give her the confidence and practical ability to join Little Marvels. After coming to the group, she was more relaxed and told us the other mums were able to support her also.

Mums tell us it is the space they need to let their children play and to spend time with other Mums, who have been on similar journeys themselves. A vital lifeline to so many.

For many people, life is difficult. Faced with various physical, emotional and social challenges, we aren't always equipped to cope on our own.

Unwavering support from people like you allows CrossReach to provide support through our life changing and lifesaving services, so that every person can flourish and every life can be lived to the full. Every penny raised buying a Care Share will be used to enhance, change and save lives all over Scotland.

Did you know, by setting up a regular gift to CrossReach, no matter how much or how often, you will be helping us to plan ahead to save and change even more lives. That also makes you a part of our amazing CrossReach family.

"Unlike some charities, you are respectful of your donors. Even though times are hard, you a never push, sending emotive messages. I appreciate your gentle approach and try to help if I can. I'm in awe of the wide range of lives that you touch, especially where you strive to bring love, care, dignity, and respect to folk who are sometimes marginalized by society"
